

2018 Convention

**SEPTEMBER 8-9, 2018 • STEAMTOWN NATIONAL HISTORIC SITE
350 CLIFF ST, SCRANTON, PA 18503**

2018 represents the 70TH anniversary of the ARHS- and Tri-State-owned EMD F3 units. Our 2018 convention will present a unique experience to ride behind, see, and tour these units in a chartered excursion from Steamtown to Tobyhanna and return, with photo stops. Our goal will be to use the complete A-B-A consist on the excursion, scheduled for Saturday. A barbecue dinner on the Steamtown property will follow the excursion.

On Sunday, we have arranged to use Steamtown's auditorium for presentations. Topics include a report on the status of the ARHS, the history of the ARHS/Tri-State F3s, a CNJ veteran speaking on his career with the CNJ, an overview of the railroad photography of Donald Furler, and other surprises. Tours of the F3 units are available following the presentations.

**Please join us for this weekend of exciting events.
Space is limited to first-come, first-served, so register early to guarantee your attendance!**
